“ As a member of the BYHS Class of 1967, we are deeply saddened to learn of the passing of Lynn. She was a great friend and liked by all. We were fortunate to be able to share some time and past memories with her at our last class reunion. We are very proud of her nursing career and we know she provided much needed comfort and care to many during her career.
" O God whose work and will and very name is love, we thank you for the gift we were given in Lynn Talley. We yield with confidence to grief knowing that pain will pass and sorrow ends, but love does not die and will not end. Love abides in us, around us, and beyond us forever and ever. Thanks be to God. Amen"

May you rest in Peace.
