“If you must bury something, let it be my faults, my weaknesses, my mistakes and bad choices from the past, and all my prejudices against my fellow man. Give my sins to the devil. Give my soul to God. If, by chance, you wish to remember me, do it with a kind word, a smile, a deed, to someone who needs it ... and say, ‘Pay it forward.’ If you do all I have asked, I will live forever.” –

“ *Just realizing dear old friend Macy died several years ago now. Sending love and prayers to her family. We sure had fun times in the eighties and no matter what, was always kind and thoughtful.*
