“ *Simply one of the best people on the planet. She was a perfect example of what loving others looks like. She was a dear Aunt to me who loved unconditionally. I was always "Stinky" to her and am happy she gave me that name. Love to Janice and Donna.*

“ Mamie was my parents neighbor for as far back as I can remember as a child. I used to play with her dog Angel thru the fence. She and husband always gave my parents fresh vegetables out of their garden. She always brought food when someone died. They don't make them like her anymore. 😊 I will miss her greatly.

“ Mamie was one of the sweetest ladies in our church. She always had the brightest smile and kind words to say. My husband would always hug the ladies sitting near us and Mamie would always grin when he hugged her. She was a special lady who will be greatly missed.

“ Mamie was such a loving and nurturing aunt. She was there when my brother and were small, helping us grow when our mother was working, and for the next 75 years called us "my boys". She gave me a jumpstart in life by teaching me to read before I entered school. Rest in the peace you have earned with a life well lived. Love you, always. Larry Gammon
