“ Dear family,
I did not know Margaret personally, but I wanted to express my deepest sympathy. At times like this, I have personally found Jesus Christ's words at John 5:28,29 to be truly comforting where he promised that "the hour is coming when all those in the memorial tombs will hear his voice and come out...to a resurrection of life." I look forward to that time so much. Again, I'm so sorry for your loss and I will keep you in my prayers.

“ Although I never got to meet Maggie in person..I had hoped too..We met each other online thru my brother Jack..Maggie was such a sweet and generous person..always a kind word..always kept her sense of humor even when she wasn't feeling well and always reached out when a friend needed lifted up. She will be missed.
