Susie --Earl and Cindy. Thank you for taking care of your Mom -- my sister. You did a wonderful job helping her and being there for her. I will send a donation for the Cemetery soon. Susie, Earl & Cindy,  
Your mother has been heavy on my heart ever since I heard the final news of her passing. I think it is so strange that she and Mom both passed away so close together, but then you realize that there's something right about that. It does warm my heart to think of them being together now, and I can only imagine the good time all 4 of our parents are having together now. May God bless all of you with the peace in knowing she's at rest and happier now than we can possibly imagine.  
I'll see you tomorrow. Keith Hubbard
