Mrs Slade made a tremendous impact in my life. She was a substitute teacher in my high school years. So patient, kind and supportive always ready and willing to help.

I needed her more than she ever knew. She made a difference.

So sorry to the extended Slade family for your loss. Though I only met Margaret a few times, I know two of her sons very well. They are outstanding men and demonstrate the values and work ethic instilled by their parents. Our thoughts and prayers are with the family.
