“ Dear family,
I did not know Maria personally, but I wanted to express my deepest sympathy. At times like this, I have found Jesus Christ's words at John 5:28,29 to be truly comforting. There he promised that "the hour is coming when all those in the memorial tombs will hear his voice and come out...to a resurrection of life." I look forward to that time so much. Feel free to contact me at the email address attached. Again, I'm so sorry for your loss and I'll keep you in my prayers.

“ Wow where do I start.. I will get through the tears to try to share a little bit of what you meant to me! You was the one who believed in me. And a many times over coffee and the word we would catch up. You was a sister, friend, even a mom at times! It was no secret how much you loved me! Nor how much you loved Our Lord! You taught me a lot as well as we shared and studied together.. You always opened your heart and your home to me!! I know there will never be another Maria Taylor! But I pray I can be more like you in the way you was raising your chaps! I could go on and on but it would be a book! I love you! My Sister, My Friend! Until I see you again know this!! I will miss you!!!??

“ Maria you will be missed. So glad God put us together, because of our friendship and always talking she asked me, What did I mean about there was only one way to get into heaven". We were riding in my car going somewhere, don't remember where, but remember where we were when she asked me. We were at a stop sign at the corner of Madison Ave and Tripoli Street. Then we started going to church and that is when she ask Jesus into her heart. Love you and will miss you.
