“ I do not have words to say how I feel right now, you showed love and compassion to everyone you met. You and I have a very handsome and intelligent son that is growing up to fast. Life will be different without you but you, Tagan, and Bear are with Jesus now and that has got to be the greatest feeling. I love you and JW does too. Oh, you would be proud of JW, he got his bike going and was riding it around the back yard yesterday

“ Mark was one of my best friends. We started hanging out with each other when we were little boys along with Wesley and Tracy. I consider all of them as family and Curtis Earp was like a Dad to me. I am going to miss Mark so much. I can't stop thinking about him. It is very hard to say goodbye to a close friend. I love you brother.
