Mike was my hunting partner and guide to the rough and tumble side of Centralia. I saw my first Cord automobile through his guidance. We hunted rabbits in frosty fields at Christmas and earlier anything that flew or ran with our BB guns. His daddy took us to get 25 cent mouse haircuts - that was memorable. Aunt Merle was a lot of fun like all of the Parker offspring. Uncle Bill would wrestle with me and Mike on the sheet vinyl floor. We loved it!!! Kenneth George was always into motorcycles and middle brother Tony into football and horses. The Anderson's home was always a great place to visit!!!! See you later, Mike - your cousin, pete melby
