“ Michael my friend we spent many years together growing up. I remember them well, almost like yesterday. Heck, I almost spent more time there than at home. All of your family are still very special, and I will cherish them forever. Your friend always Mark

“ We knew Michael from doing the USA Today Route. He was such a sweet and kind man. No matter what he was doing or how he was feeling, he always wanted to know how you were doing and had a kind word for you. I don't think he had a mean bone in him and he adored and loved his family so much. He took care of you all. Now he's in heaven watching over you. So sorry for your loss. You have been truly blessed with a wonderful, father, brother and grandfather.

“ I went to school with Michael and we rode the bus together. I did not see him after Junior High School, but when I ran across this photo I instantly knew it was him. I recognized his sweet smile. He remember him always laughing and was so sweet. I am so sorry to hear of him passing, but I know that heaven is so much sweeter with him there. He always had such a sweet, sweet spirit and from what I have read that never changed. God Bless the family and continue to give them peace and comfort .

“ The whole Blalock family was such a HUGE part of our childhood. We Mills girls always have and always will love the Blalocks. Mike was the brother I'd never had. His heart was sometimes too big for his own good. I've never met anyone who had a more gentle spirit or loving nature. My childhood memories include lying on our driveway looking up at the stars, sneaking Mike into our basement (countless times) and spying on neighbors. I knew Mike loved me. He carried that affection over to my children. He showed love, compassion and concern to each one of them and they all have a deep love for him. I find it almost eerie that he has passed on at the same age as my Dad. I know that he is at peace; but we've lost him too soon.

“ To all the family (April, Alvin, Michael, Laci, Pam, Randy, Kathy, Carla, Levi, Emma, Joseph and of course anyone that I may have missed), Mike was a wonderful man and I loved him as my very own brother. Most of you will agree that nothing seemed to make him upset and his laugh will always be with each of us. My sympathy goes out to each of you and may the comfort of the Comforter be with you now and forever.

Gloria said it wonderfully about the kindness of his heart and gentleness of his spirit. Most of all the love and forgiveness he always was able to have for anyone.

I love you Mike and am honored to call you "my brother"

I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world.”

“ There will never be another Mike. His kind heart and gentle spirit endeared him to all who were fortunate to make his acquaintance. He was always willing to forgive. Mike is at peace now but his Spirit lives on in our hearts, never to be forgotten.

“ I went to Mt Hermon Elementary with Mike. He was a lot of fun. I understand that did not change. God bless you, the family in your time of grief.

“ *I love you Uncle Mike. I hope Heaven is every bit as glorious as you knew it would be:*

“So we do not lose heart. Even though our outer nature is wasting away, our inner nature is being renewed day by day. For this slight momentary affliction is preparing us for an eternal weight of glory beyond all measure, because we look not at what can be seen but at what cannot be seen; for what can be seen is temporary, but what cannot be seen is eternal.” -2 Corinthians 4:16-18
