“ *Such fine memories of this Godly man. A hard worker, a loving husband and father, a strong Christian and a great friend. We shall miss him here, but he is waiting for believing family and friends in heaven! And so we grieve looking for that joyous day when all the saved are home with Mike in heaven!*

He was a fine actor & so funny & authentic in all the acting roles he played in. He was a joy to watch in his movies. I'm only 3 yrs older & spent many hours enjoying Back to the Future with Doc & other great actors. He was the greatest & we still have his movies returning to TV to enjoy & with his personality he was a favorite actor & admired for all he did in his life. He was funny & classy & fans like me are so glad he was a great entertainment Star. I'm a Christian who did what Jesus. I helped people when I could for free. That's God's & Jesus request that I took joy in doing it. He gave so to fans by being a good Christian & not let being a star turn his head from serving Jesus & & God. He had high standards no matter what. Thanks for the Memories Michael
