“ Our thoughts and prayers are with the family at this time. I just found out and it makes us think just how fast time goes by. I have known Mike for close to 50 years and he has always been a good friend. As a kid I spent a lot of hours with Mike and his family working on the farm, hunting and fishing. I remember Mike letting me use his brand new truck to take my drivers test to get my license and what would happen to me if I wrecked it. Mike you will be missed.
