“ Don't know where to start I'm still in shock.  
We have known each other all our lives.  
There were a few missing years in there after  
high school that we both went different ways  
and did not see each other for several years.  
But last year we ran into each other again. Kaylee was calling your  
name today you would have been smiling. Roo Roo. You will be  
missed but I promise you won't be forgotten. Prayers for all The  
Williams Family

“ Rooster was such a good friend. He always had a smile on his face. I've known Rooster for over 15 years, and he has never changed. I know I have lost a really good friend. And I know he is in a better place. So Rooster go rest high on that mountain cause your work on Earth is done. So you now have your wings so go Fly High. I love you and will always miss you my friend. Love Sharon Clem.
