“ Dear Donna, Keith, & families,
I am just seeing where your Mom, Mrs. Peters, had passed. I am so very sorry and my sincere condolences, I always admired your Mom as a little girl how elegant she was. She was always so impeccably dressed and I loved that, but most of all she was so kind. My Aunt Sudie and I would always be sure to stop by and speak to her when we saw her downtown. Thinking of you both in thoughts and prayers.

“ Donna and Family,
I was so sorry to hear of your mother's passing. I first remember her when I was a little girl. My family and I would eat at your grandparents restaurant on Old Piney Forest Road. I thought how beautiful she was and she continued to be that way through the years. I know you will miss her as I do my mother. Please know that you all are in my prayers.

“ I did millies hair before and after she broke her neck. Went to her
home several times to do her hair. Very sweet. She could still lift her
leg above her head. Amazing funny and very attractive lady.
