“ Myrtle Chattin was always to me the “Church Mother” of the old church and then the new church also. As far back, as I can remember as a young girl growing up in the old church, she was my role model and my “North Star.”

*I felt that if I met her approval then certainly God was pleased also. Opportunities that she afforded to me in being of service to the church and others has most definitely shaped my life and future. I cannot think of another individual who has had such an impact on me during my youth.*

*So very sorry I cannot be there today.*

*My heartfelt sympathies to the entire Chattin family.*

*I believe, beyond a shadow of a doubt, that God “smiled” as she entered her eternal home and place of rest.*

*Heaven does indeed get sweeter each and everyday.*

“ What a light, a witness and a blessing Myrtle was for Jesus Christ. When I think of her, one word that comes to my mind is “Encourager”. Myrtle had the gift of encouragement. She always had a kind word or thought to share. Though we left Danville many years ago she has always held a special place in our hearts. “We love you Myrtle “! Many prayers for her family. “ I loved Myrtle from the moment I met her. She taught me so much about the Jesus that she loved with all her being. She asked her little teenage/ young adult Sunday school class that she taught back in the 80's to say one thing at her funeral. It was "how well did I represent Christ in my life". I remember that to this day and I can tell you that she was one of the best. Anybody that came into contact with Myrtle, whether it was a brief time or for an extended period never left the same. I'm so glad that I called her a couple of weeks ago and told her I loved her. She will never be forgotten!

“ Sister Chattin was wonderful Christian lady. I've known her since I wad a little girl on her Sunday school class at North Danville Church of God. I will always remember her and all the lessons she taught us kids. Never forget the beautiful songs she lead in . I have taught my own grandchildren the same ones. What a beautiful crown she is wearing. When she's in heaven I know she will see my mom.

“ I was Sister Myrtle's class President for my early years at The North Danville COG, she always saw the best in people and urged them to participate in the functions of the church as a way to encourage them to become teachers, preachers and prayer warriors for The Kingdom. She is missed but it brings me joy to know she is with her Timothy whom she lost September 7th 1976. Perhaps Heaven is brighter today because of "Myrt"... Brother Mabry
