“ Nancy and her family are my second family. The Burnettes, Warrens and Halls have always been kindred spirits in their love for each other and God.

Nancy is now with Margaret, Larry, Curtis, Ola -- the latter two being my wonderful, incomparable parents -- and the other deceased members of their large families.

Each of them awaits that day when we all shall be joined together -- without pain, without grief, without worry -- each of them in that perfect world with Christ and all of those who have crossed over and left this imperfect world behind.

Bill, your words are so inspiring. The bond our families had lives in us all, and that is a blessing. Thank you for you mean, and continue to mean to our family. Patrick, Tonya, and Hayleigh

Hayleigh asked who is Bill, and in one word I said, "Jack," and she laughed, and commented I know exactly who that is.

“ I know that Lena, Ruth, Doris, Big Momma, and Nancy are having good times in Heaven with God! I bet they are involved in something competitive like card games, softball, or a cook off! I loved them all! Peace and love to Nancy's family members.

“ My love to all of Nancy's Family. I wish I could be there to pay tribute to her with you. She was such a sweet lady and so very dear to me and my family. She always greeted me with a smile and a hug, piled way too much food on my plate at any covered dish dinner, and filled the halls with laughter. Thank you Nancy for all the memories.

“ My Deepest Sympathy to Bobby and Tammy and Family. I don't guess I ever go by the shop and not think of her working at "her" table and telling me ALL about the grandchildren and what they were doing. She loved her family and was always very kind to me. Teresa Compton
