“ *I will always remember Nancy as being a feisty but warm and caring person who showed kindness to a young girl totally out of element in her first "real job"! My sympathy and prayers are extended to her family.*

“ Dear family of Nancy,
Carolyn and myself wish to convey our most heartfelt condolences
on the passing
of our good friend Nancy. We shared many happy occasions over
many years.
Nancy, the sparkplug, James, the quiet, steady one, strange how
such different
combinations form, but it worked ever so nicely. Our hope, they are
sharing that
relationship again and for ever more. Sincerely,
Harold & Carolyn Cole
