“ *You will always hold a special place in my heart! I have so many fond memories of you through out the years especially at the holidays. You always made everyone feel so welcome in your home and in the family. You were more than a grandmother to the Grand Children and Great Grandchildren, you were their "Granny" --and that is such a special thing! My heart is heavy with your passing, but I find solace in knowing you are in a much better place and are with Jr and Papa Richardson. With much LOVE, Beth*
