“ *Nannie took care of me in the summer of 7th grade. My brothers and I were working on the farm when my brother Glenn accidentally backed over me with the tractor. My brother took me to Nannie and she drove me to the hospital. She was there when I needed her. I remember her laughs down in the basement when my daddy, Jimmy Powell, Shelby Brande, Doug Brande, Pete Young, Audie Young and my brothers played ping pong. Everyone would laugh so hard that nobody could focus on ping pong. She was a mother figure to me when I stayed on the farm with my dad. She would make sure my day fed us properly. If he didn't she would set him straight. Late last year I stopped in her driveway to have a conversation with her about the family. I'm glad I stopped to share one of her last moments. Nannie will be missed!*

“ For my favorite aunt.....

*I Thought Of You With Love Today  
Author Unknown*

*I thought of you with love today  
but that is nothing new  
I thought about you yesterday  
and days before that too,*

*I think of you in silence  
I often speak your name  
All I have are memories  
and your picture in a frame.*

*Your memory is my keepsake  
with which I'll never part  
God has you in His keeping  
I have you in my heart.*

“ Aunt Nannie will be missed so much. Her laughter and humor will always be with me. I believe my Daddy (Frank Grant) and Uncle Pete were waiting by the Pearly Gates for her with an extra fishing pole for her and they are sitting on the river banks of Heaven catching up and fishing. That was their favorite thing to do. When we all get to Heaven what a glorious day that will be. ❤️❤️
