“ I met Nicky in 1976, he had a green Mustang! I used to work on Floyd St. and used to get hot dogs for lunch from his parent’s restaurant on Main St. I remember him working for Scearce’s before he went into business. I worked at the Hop In on Westover in 1985 and one morning a man tried to kill himself by driving into the store but he ended up hitting the pumps and setting them on fire and Nicky heard the call and came down, ran into the fire, hooked up to the flaming pump and pulled it away and then put out the fire. The rubber bottoms of his sneakers were melted to the payment buy the pumps for a while! I have not seen Nicky in years but he will always be remembered as a wonderful person.

“ I remember the times we had when he was still in high school and about to graduate and his mother would grab me by the ear and drag me across the restaurant and tell me to lead him in the right direction and tell him to go to college and quit driving that wrecker for Searce Wrecker Service. I wanted him in the WHVFD although his mama wanted him in college. I always loved going downtown Danville and sitting in his mama's restaurant. She always had nicky and me a wonderful lunch to eat. I'm gonna miss sending him messages. God bless Penny and Nicky,jr. I pray He will wrap His loving arms around them both at this heartbreaking time.
