“ I first Met Nick as we arose through the ranks at the Sheriff's Office together to investigators. Getting to know Nick better, even as I departed years ago, he became more so known to me as my In-Law's Yard Man. We talked Memories and when we came across each other more recently, we'd talk business (landscaping, etc. and accounting for expenses, etc.). God gained an angel to look over us. Until we meet again, my brother. my friend, my family. Prayers for his family.
