“ Pat was an intelligent, loving, kind, generous, thoughtful, and sweet lady. She performed CPR on her dying daddy, my brother, Jimmy, when she was 16 years old, trying to save his life. She was a devoted mother to her son, Jimmy, who passed away far too young. So wonderful for all of us who knew and loved her, and was related to her. She will never be replaced in our hearts. Becky

*I worked with Pat for 15 years (or so) at Fieldcrest Mills in Eden NC. She was a savvy computer programmer and systems analyst. She was a dear friend who was a sweet and kind person who would go out of her way to help anyone. May the good Lord welcome Pat with open arms and bless her and us all. Fernard Moore, Eden NC*

*Kathy so sorry to hear this sad news. We were on vacation last week and just learned of Pats passing. I remember good times we all had at your Mom and Dads house in our younger years. Loved spending time there. I was always made to feel that I was part of the family. My prayers and Love to You, Mary and all the family during this difficult time.*
