“ Pat was such a sweet lady with a heart of gold. I had the joy of working with her at Chatham Middle School until her retirement. I called her my little China doll. She was always so beautiful and well dressed. I often complimented Pat on her beautiful purses. One day she asked me to stop by her class before leaving school. When I entered her room I was given a bag with a beautiful Coach purse inside. I still carry the purse today. I will always cherish the beautiful memories of my little China doll.

Love and prayers,
Annie W. Tucker

“ I worked with her at Blair's Middle School. A true professional whose opinion was valued by her colleagues. In meetings she didn't speak often, but when she did people paid attention. A kind heart.

“ *I remember her from 6th grade. She helped me and took me seriously when I told her about someone who was bullying me. The bullying would have gotten worse had I not shared that with her and had she not done something about it. I'm grateful for teachers like her ❤️ I'm praying for her family*
