“ I will miss you so much Mom. Even though the end of your life you chose not to acknowledge me and my wife, we live a city block away. I was your son, and I know that deep down you loved me as I loved you. I miss you as I miss my father Reuben George Ricketts whom I share my middle name with. You are now with my Dad in Heaven and I know that you are finally at peace. I had two great parents. You and Dad. I owe you both lots. A final farewell and a final I love you.

Steven Ricketts - May 04 at 04:35 AM

Steven I'm so sorry for your pain. Do you remember Barrett at the hunting store? He went with your family to Disney when y'all were little. I am his mom. I know how difficult estranged relationships can be. I'll be praying for your comfort and peace.

Thank you for your prayers. I do remember Barrett. I hope he is well. We became fast friends then best friends, even co-workers. We wired Halifax Ct. Apartments together when we were teenagers, working for Bill Joyce.
