“ I will miss Trish. She was definitely my buddy. we share so many memories and crazy secrets and we go so far back. Before her health started declining she would call me when she lived in Raleigh we had the longest conversations about just life in general and our crazy past. Fly high love ❤️

“ Patricia and I were neighbors for a few years and when I would go downstairs to visit as I often did she and I would get the giggles and her roommate Cheryl would get aggravated with us because she didn't know why we were always laughing and not letting her in on the joke!! It was an inside joke; she would say!! I will never forget her!! I miss the laughter!! R.I.P my friend 💕🙏
