“ Mom I know you are in a better place. You fought so hard and I’m so very proud of you. But I’m selfish and I need you. I told you that all the time. I’m a mother too but right now I feel like a scared little girl trying to be strong for everyone. My heart is broken and I know it’s never going to be fixed. I’m lucky that God picked you to be my Mom. I love you more than I can ever show. I pray I’ve honored your wishes as we remember you. Get some sleep Mom I’m always here to talk. Love, your baby girl.

Beautiful testament to your mother and being a daughter. I am so sorry for your loss, Jackie. My heart felt the exact same when my mother died in 2009. We are now part of a sisterhood of motherless daughters-changes you. Love and hugs to you❤️

“ Mama....this is coming too soon....we didn't have enough time!!! I am having trouble even breathing right now. God knows that my grief is blocking my words...but I can only pray that you can hear my heart along with Leigh's and Jaclyn's. Our children did not have enough time with you. They know their Grandma loved them, but they didn't have enough of you. I know you are no longer in pain but my sisters and I are at a loss. Just taking a step forward is unbearable. Mama, I love you...I still need you.

Thanks Bonnie and I am so sorry about Patsy's passing! It doesn't seem real to me. The last time I saw her, she seemed to be doing a little better, but never one to complain. Sending prayers and warm thoughts to the family.
