“ *“Grandma Patsy” is a an amazing wife, mother, grandmother, friend, woman. I will always remember the first time I met her. Oh, she was so in love with Josh and bragged to me what a great young man he is. She will be missed terribly and her legacy will live on through her beautiful, smart, talented and loving granddaughters. The stories they have shared 🥰. I hope one day that I can be as wonderful and amazing as she was with her granddaughters. When Hannah and Josh get married and start a family, I promise that Lori and I will carry on her tradition of a Weekly Summer Camp of “Camp Grandma Lori/Becky”. We may have to double team this adventure (in the future) one day. Prayers for family and friends. 😭*
