“ We the staff and children at Community Improvement Council Head Start would like you to know that you all are in our prayers. Mrs. Pattie was such a lovely woman. We are so sadden for your lost. She will be greatly missed. God needed someone special, experienced, friendly, and kind to help him teach Sunday School and help him tend to the animals in Heaven so he called Pattie to come on home. We know you will miss her but take comfort in knowing that she is resting in the arms of Christ.

“ *Pattie was a wonderful woman who was so gracious and kind. She and David both seemed so smitten for each other and in love. I loved to see them interact. I loved to hear both of them preach, as I attended Pattie’s Sunday School class for some time. She was laid back and so smart, too. It was as if she was like family - the way she treated me! I was blessed to have my wedding at the loft and have David preach.... they were the kindest in making sure everything was perfect. I am so blessed to have known her and I just pray for David, her precious children and grandchildren , her family and friends. This is a heartbreaking time.*

“ I am so saddened and shocked at the loss of this wonderful lady. Patty and her family and my family attended St. John’s UMC. for quite some time. She was so well thought of. I think everyone who got to know Patty loved her.

She was a dedicated member of the church and was always helping where ever she was needed. She loved her family and she loved the Lord. Sending prayers to David and the children and grandchildren. Let God do his work to give you peace and understanding.

“ *Pattie is 2 years younger than me and David and I were in the same class. Pattie was always cute and happy as I remember her. We only ever spoke a few times in the past 20 years but she was always sweet and positive. I remember her and David being young and very much smitten with each other. He seemed to tower over her and when I picture them standing side by side with their arms around each other I see her looking up at him beaming with love. David was always a good guy and a frat friend to everyone and he and Patty seemed to be made for each other. They accomplished so much good in life. I know her family will always feel her loss because she was a truly good person. I wish them love.*
