“ Deepest sympathy to the Brann family in the loss of Paul. I have know him since grade school. I truly can say that anytime that I saw him over these many years he never failed to make me laugh and the rest of my day was better because of the contact. I saw him last at the Hardees on South Boston Road. We talked and laughed together then and I look forward to the day somewhere in eternity when we can do it again. When we parted at Hardees that last time for whatever reason since I had never it before I said, "I love you man!" and he turned back around and said "I love you too man!" . Ever the sharp dresser he was wearing a pair of worn out tennis shoes, no shirt and a pair of denim bib overalls. Thanks for all the memories Paulie !!!
