“ *Peggy will be missed. I always enjoyed talking to her and her telling jokes.*

We shared 30 years working together and she lived across the street from us for several years. She always answered the phone when I called saying Hey Girl. I will miss that.

Rest with Jesus now and we will see you in a little while.

Jerry will miss you also.

“ Dear Auntie Peggy, So long ago in Danville, Va that I threw a rock across the street which landed in your front yard. In sweet and kind words you told me I shouldn't be throwing rocks. Who knew at that time you would meet my Uncle Garland and be my Auntie. Even though I had/have not seen you in such a long time I always kept you in my heart and thought about you often. Through photo's I see you never lost that captivating smile. You were loved by so many and will be missed. RIP until we meet again. Love You!

I always enjoyed going to Reidsville to see Peggy, Garland and Scott when I was growing up. I hope God heals the hearts of all of Peggy's love ones that are mourning her. Just remember she is in a better place than we are.
