“ C.H., Gary, Timmy, Mark, and Lisa - We know the pain of a broken heart in the loss of a mother. Moms always have a way of convincing us that everything will be o.k., comforting us like no one else can, and assuring us that we are never alone in this life. We will continue to pray that you will feel the Lord's Presence and strength in the coming days as He provides grace and healing to your hearts. I think our moms would want us to know that they are more alive than ever and enjoying Heaven while they wait for the rest of us. Please let us know if we can help in any other way, Bobbie, Ida, Soupie, and Cora

“ CH, Gary, Mark, Timmy and Lisa We are so sorry for you. We were hoping your mom would pull out of this. Cora and Mary Ellen kept us updated on her condition. She was in our prayers and thoughts every day. We all wish we could be there for the funeral, but circumstances would not allow. Please know that we will be thinking and praying for each of you. Love the entire Emory family
