“ *Being able to meet Penny and get to know her as a hard working woman who cared deeply for her family. She said exactly what she thought and usually with a smile. When we see number 170 bus, we know that Penny is riding along, she loved driving. May she rest in peace.*

“ *I met Penny when I was just a little girl at Community Baptist Church. She has always been and always will be family!! She was my Mom's Best Friend. I don't know what we gonna do without her. My favorite memories were the day before Christmas eve for many years her coming down and helping us get ready for the feast my Mom would prepare. She even came down the last 2 years after Mom passed and helped. It was Never Ever a dull moment want scared to ask you anything no matter how personal. She always said hefa if I don't ask I want know. I will always treasure every moment God allowed me to have with her!! I also will treasure the last moment she was here!! As I sit here I remember her telling me for years when I get to heaven I will be shouting. Last night at 8:10 pm she was shouting!! Prayers for you All!! I love each and everyone of you!!*
