“ Bill I'm so sorry for your loss. I know your heart hurt. But just remember the good times he's with Tommy and mom. They are probably up there talking about old times. Sometimes look to the cloud, sometime it likes they are watching us. Praying for the rest of the family. God be with yall. Love Denise Lynskey

“ Don't forget he had a great grandchild too. Checks that he didn't have anything to do with him and never cared to meet him so of course they wouldn't include him.

“ Dad, Where do I begin and where will it end? I miss you already! I always enjoyed getting your random text, pop up visits, and having our little adventures. The cleverness of you in general, with your cunning sense of humor, those witty statements you'd seem to make, your thoughtful and selfless gestures, for now I know where I get it from! Not only do I look in the mirror and see the female version of you staring right back at me. All of these little things will remind me of you always. May you rest in perfect peace under GOD's good grace! I Love U now fly on home my rolling stone ☐ 🍷
