“ *My Uncle Junior was the sweetest, most loving Uncle, a father who adored his children, and had the biggest heart. He was a tender hearted person. I loved him so much. If I could dedicate a song to him, it would be "One More Day", One more day, one more phone call, but no matter what, everyday talking to my Uncle was like the day when I was a little girl and he was My Favorite and I was his favorite niece. That is just the type of relationship we had. I would give anything to talk to him again. I can still hear his voice and I pray that I never forget or loose the ability to hear him. My heart is broken.*
