“ *Ray Bradley was my Dads brother. I could tell you many funny stories about my uncle he was always trying to prank people and had a heart as big as Texas. I know he loved his son Cj very much and always talked about him when I went to see him. His mom and dad have already went home to be with their Lord and Savior and I know Uncle Ray is walking with them now and smiling and Granny is probably turning cart wheels in the air that her baby is finally home with her. He hAd a very hard life for the last 5yeas or more and I'm sure him and my Dad are sharing stories about us three kids now!!!!. Can only hope he only shares the good stuff: you will be missed Uncle Ray rest in peace until we meet again.love you !!!!your baby girl
