“ Just found out about Reuben's passing, I am so very sorry for your loss. I wanted to share a little something with the family...When I was 16 yrs. old I worked part time as a waitress that he visited. As he was an officer he made me very nervous as I was young and one of the first night that I had to serve him I spilled his coffee in his lap. I was so embarrassed and thought he would be so mad, but he wasn't he just laughed it off. That was a moment in my life that I always thought about from time to time. How many people spill hot coffee in the lap of a police officer? Just wanted to share that little thought maybe it would make you smile thinking about him and what he may have been thinking.

“ I am saddened by the passing of my friend Reuban Anderson. He was a fantastic person and a one of the best Police officers I ever had the opportunity to work with. We served in Kosovo together for 2 years from 2000 thru 2002. We toured Europe and Egypt together and had a lot of great times. Reuban was a one of a kind person. He was my friend. His heart went out to the people of Kosovo and he worked hard to help all he came in contact with. I am proud and honored to have served with Reuban Anderson and I am truly proud to have considered him not only my friend, but he was my brother also. I will miss Reuban. God Bless each of his family members and remember you will see him again.

“ I'm sorry for the lose of one of our dearest friends. He will never be forgot. Daryl will miss him greatly; he was like a father to him. We will always remember the good times we had and I will always remember the sad days of the last 15 months fighting his battle with cancer. We will miss how he always joked and cared on, his laughter, and his smile. He taught me many things in life; things I will never forget. He also took us to many places we had never been; especially to all the tractor sales and setting up for the flag sales. We will miss him dearly...RIP Reuben.
