“ *Framces & Children,*

We are so sorry for the loss of your precious Bob. Pastor Bob was truly a man called of God. Every aspect of his life you could see the Lord shining through him. He could preach a sermon that would make your toes tingle. His sense of humor kept us smiling during church activities. There was no one like him or his sweet Frances. We love you all so much and are praying for you. Bob is singing (which he could do so well) with the angels now. He will be missed but never forgotten.

Love & Prayers,

“ *Spanky and I used to ride the school bus together and the only time I ever got to see Mr Thorne was outside their home whenever he happened to be outside. You can tell a lot about people by the way their children act. Spanky has always been kind and caring. I always think about him and his family when I pass the house on 58 where they used to live. Even before they moved I have always wanted to stop by but never had the courage 😞 because he would not have known me from Adam but through the love of God he instilled in his son I always felt like I knew them. The heart that was in him still lives on in his family and will help make this world a better place. See you in heaven 😇 sir.*

“ *Frances and family, you are in our thoughts and prayers during this sad time. We have so many wonderful memories of when we all lived on Tangier and going to SMUMC together and our Monday night meetings and desserts. Chuck said that’s when he was introduced to pineapple fingers, and still loves them to this day. Bob touched many people on Tangier with his outgoing personality and his witness for Christ. We love yo all, Chuck & Karen Parks*
