“ Kara,
We have never met but I wanted to reach out to you to let you know you and your family are in our thoughts & prayers and your dad was a very special friend of my husband. My husband Tommy Kantsios and your dad, which my husband referred to him as "Hammer" worked together, quite a few years, with Pike Electric in Waldorf, MD. Even when they left working from that area, they continued to keep in contact with one another, speaking often with one another. Tommy and I drove to Danville to visit with him a few years ago and Tommy had mentioned driving back to visit with him, after the Covid thing is calmed down, and I am so sorry we won't have that opportunity now. Your dad was my husband's closest, dearest friend and he will be greatly missed.
