“ *I knew Ricky in my really early life , we were old buddy's at the Ballou park skating ring as teenagers. He was one good skater and out going and unforgettable guy. Always a big smile. Don't know how but we lost touch over the years. I had heard of his time in the military. Great memories from way back we were the same age . Oh yeah I remember he had a 1st cousin that was at the skating ring most of the time he was there with him, can not remember his name but I remember him with him. Not long ago I noticed someone on Facebook with the last name Dalton and remembered Ricky and decided to look him up and found he had passed. Just want to say he was a really good memory of my early life, just want to say sorry for your loss to you and your family. I wish I could have reconnected with Ricky sooner before his passing we would of had a great time talking about our good old days at the Ballou park skating ring. Rest in peace.*

“ Rickie became a part of Pete’s family when Pete was 8 years old. They grew up not as uncle and nephew but more like brothers. They have a special bond that can not be broken, not even now.

I remember the times that I wrote him letters of words of encouragement when he was in South Korea and Desert Storm. He talked about how he loved his family and country. He was encouraging us as well. Thanks for being a part of our family. We will meet you again in a much better place.

Love,
Uncle Pete, Nancy and April
