“ Butch and to your family. I know you are in a far better place and that you did not have to suffer. However, your departure was a true shock but that is what you are. Thank you for the kind things you did for many and your dedication to your duties in the church. No one will be able to compete with your impeccable ways of dress. Vibrant colors which painted a wonderful personality of kindness. Always lifting others up and man your prayers truly rocked the rafters of heaven.! A very humble man with a quick wit and ready smile. Your presence has been felt and will missed by all that your kindness touched. Joe and Connie Davis

“ I’m one of the kids who knew Butch as the “Juicy Fruit Man”, but he was so much more than that. I’ll always remember going to get a stick of gum and hug from him every Sunday before “big church” started. He always asked how I was doing, if I was doing well in school, what things I was looking forward to, and he always made me laugh. I miss his bold, fun suits: they matched his personality perfectly. He always wore something extra special for Easter. I will be thinking of Butch tomorrow and imagining the colorful suit he’s wearing this year.

I can't imagine what it will feel like to go back to church and not see Butch there. I always got a hug every Sunday when I greeted him at the door. Our girls loved Butch and he loved them. We have a lot of great memories of church pool parties at his house. Between the pool and the assorted 'critters' to play with, our 'city girls' loved going to Butch's house. We always felt welcome. I will miss you, Butch, with all of your bright suits and brighter laughter. 'Til we meet again!

I am compelled to share my experience in knowing a wonderful man by the name of Butch Bennett. I first met Butch when I was the band director at Dan River High School where I taught his two youngest children. Butch was the one dad our students could always count on attending our fall competitions and driving our equipment truck to every band competition. He was also the only dad who would travel with us on our spring trips with destinations including Orlando, Florida and Montreal Canada. Butch served faithfully with our booster club; not only as an officer, but he was officially every band students' dad! His home was the official site for the end of the summer band camp pool party for many years. After his children graduated, I was honored to consider Butch not as a former parent but a friend. He could always be found at our "favorite hangout place - Goodwill located on Westover Drive where many times my 5 minute walk through would end up being 45 minutes because we would engage in conversations about cars, and politics. We would blame each other for treasures we missed out on while talking and someone picked up right under our noses. I visited his shop about six weeks ago. He was so proud of his new toy, a motor coach RV, that he had recently purchased. He was looking so forward to getting it on the road this summer. Any conversation with Butch always included how proud he was as a dad and grandfather and the love he had for his church and church family. On Friday morning, I woke with one objective on my mind; to finally force Butch to look at my 66 Thunderbird that I wanted him to paint for me this spring as we had talked about for almost a year. Friday evening, I was sad to learned that Butch had left us to be with his best friend. To Jarrett and Danielle; please cherish the wonderful memories of a great father who has now joined his Heavenly Father. Butch lived as a happy man, now he is happy with Jesus alone.
