“ I am late in hearing the news about Robert but I would like to send support to the Pressley family. Robert was always friendly and loved to have a good time. Although Robert's death is untimely, I hope that fond memories can bring you all peace. Hopefully Revelations 21:3,4 can bring you all comfort. I am sending hugs positivity to the family.

“ Rob was such a legend amongst our friend group. I met him at a musical festival several years ago and considered him festy family. So many shows, Rob would somehow magically appear in the crowd and find us—setting up his hammock, having the time of our young little lives just laughing, all listening to music together. I am so sorry and so sad to hear of his passing. I have many kind and wonderful memories of Rob I will be enjoying in the coming days. Praying for his family and all his friends, likely with many more memories than me. Rest In Peace big Rob! I will miss you.

“ Thank you so so much for EVERYONE that has lifted Duane's brother and his family up in prayer. For the past three weeks they have stood faithfully by an ICU bed watching their son desperately fight for his life. One step forward and then what seemed to be three steps back😞😞😞 He will ALWAYS be "Little Robert" to us. I know our children are a gift from God and no one is promised tomorrow but 27 years just isn't long ENOUGH!!! To make it even more difficult with COVID-19 restrictions the number of people that can attend the funeral is very limited so I am asking that tomorrow at 2:00 you whisper a prayer for strength and comfort in memory of Robert💙💙💙 A son, a brother, a grandson, a cousin, a nephew, a friend...He brought so much joy to Bo and Elizabeth!!! I pray as their hearts are so heavily burdened at this time GOD will watch over them and heal their broken hearts ONE DAY AT A TIME🙏🙏🙏

“ Me and Robert went to school together from kindergarten through high school. We went to junior and senior prom together as well. I will never forget the great memories we shared together and what a great guy he was. He always knew how to make me laugh and just what to say when I wasn't having a good day. There will always be a special place in my heart for him <3. May he rest in peace.

“ It was a honor and pleasure to know Robert Pressley. As a classmate of mine he was always smart and a pleasure to be around. In fact, Robert opened my mind to different range of music and for that I say thank you. Rest easy Robert and I will never forget you my friend.
