“ Dear Mildred, Bonnie and all of your Families, I am so thankful to have been part of Uncle Bob's life. Just this past June he picked me up from the Comfort Inn and took me to dinner at Red Lobster. That was our "go to" place when I was visiting in Danville. One of my best memories is when I was 10 (1954) Uncle Bob and Aunt Margie took me to my first "grown-up" movie, Gentlemen Prefer Blondes with Marilyn Monroe and Jayne Mansfield. I think it was the Capitol Theater. I loved spending time with all of you when I was younger and visiting in Danville. Uncle Bob was also very helpful to me in my family research work, sharing lots of memories with me. It is comforting to know that he will be with his beloved Margie, Rob, Granny and Papa, my Dad and his other brothers and sisters. He leaves a wonderful legacy of love and service to all who knew him!

With deepest gratitude for a life well-lived, Betty Ann & Katherine Rigney

“ Mildred, Bonnie and family, I'm out of town but wish to share my sincere condolences about Bob's passing. He was a dependable rock at TUMC and always kind.

“ Since first grade, the Rigney family has been a beloved fixture in my life. Visits throughout school and especially on holidays were just what we did. Mr. Rigney had a big smile and a kind word for everyone. He just seemed to know us all. Recent year visits have been a quick stop by his house to pick up Mildred for our girlfriend beach trips. His send off was the official start of our trip. He loved us all and was generous with that love, but his love for his girls, Mildred and Bonnie, was fierce. You could see it shine in his eyes and hear the pride in his voice.

While I believe Heaven is a gift, I know Mr. Rigney earned his place. May he know love and peace forever.
