“ *As a teacher at Westover Christian Academy, I had the privilege of knowing Mr. Vermillion - such a kind, dear, sweet man. When I would see him in the halls at school he would always give me a hug and a peppermint. Later, after I retired and was volunteering at the hospital, he would often be visiting, and he was still giving hugs and mints.*

I send my deepest sympathy, love and prayers to the family.

“ *WHAT A SPECIAL MAN! He led a special family! 40 years ago I met his oldest daughter at Liberty Baptist College/University. I fell in love with her family both original and married! They welcomed me as an EXTRA so many times! And could they give hugs! I am wishing I could be with you all today. You are in my thoughts. Your Daddy (and Granddaddy) is ALIVE AND WELL and laughing! My parents are there and they finally get to meet! Just wait! It won't be long until that great reunion over there! HUGS!*

“ Our family has had the honor of knowing this amazing man for over 25 years. He was our pastor and friend. He was the first person to give us a hug at Westover Baptist when we were just visiting. Pastor Vermillion is the perfect example of a godly pastor, father, husband, brother, and granddaddy. We grew to know him and love him and his family even more over the recent years and we are so blessed for that. Our prayers are with you all.

“ people knew Bob as a pastor. I knew him and the family as dear personal friends. Heaven gained a soldier and while we will miss him, he will never be in our past, but in our future. Gone but will never be forgotten. Until then my dear friend, we will work til Jesus comes

“ Thinking of you all in this time of separation. There are no words that can really comfort us in a time like this. However, as we think about the ripple effect of his life, we can cry tears and have the confidence that another child of God is in His presence. We no longer have to use faith and prayers for this child, because now he is in the place we all long to be. In the comfort and eternal peace with our Lord and Savior Jesus Christ. I will be praying for each of you, because separation is painful. The joy we desire to have, our brother is now experiencing. He has heard the 7 words I really want to hear; well done my good and faithful servant.

“ What a wonderful and precious man of God! We dearly loved Pastor Vermillion. There are more memories that we could tell about the many great times we have had with him. He was always happy and genuine and always so caring about others. There wasn't an arrogant bone in his body and he always made us feel welcome and loved. He will surely be missed and my deepest sympathy goes to his precious family. WOW ... I can only imagine what he is doing right now! Heaven surely IS becoming sweeter every day!

“ *Pastor Vermillion is such a dear, sweet, and kind man of God. He has always been so genuine, and caring to our family. When we moved to Myrtle Beach, they visited us on their Jan. 21 anniversary trip here. After he and Mary left, Foy & I noticed an envelope on our sofa. Inside was \$200 left for us. Oh how precious he is! We'll never say "was", because he's more alive now than ever!*
Mary Lou, you and your family are covered in prayer. We love you
