“ Jay and Family,  
I was so sorry to hear about the passing of your wife. I knew her from Danville Christian School where I taught. She was always such a sweet young lady. My husband, Tim, knows you and your son from your business at Riverside Hardware where he works. Please know that our thoughts and prayers are with you and your family during this most difficult time. Rejoicing that she is no longer in pain and looking forward to seeing her again in Heaven one day soon.

“ *Robyn you was a dear friend and I will miss our little talks. You will be so missed, but you’ve finally made it home where there’s no more pain and suffering from that terrible disease called cancer. Now you’re in the arms of Jesus, but will still be sadly missed by us all. Sweet sweet soul.*

“ Robyn was always the light that lit up any space that we were fortunately able to share with her for so many but far too little years with her. One of my fondest memories of her was driving up to their farm and seeing her out of the riding lawn mower with a smile on her face just enjoying herself mowing the lawn. She got off of the mower laughing that wonderful laugh and that great smile. I also remember many moments while I was visiting over the holidays or other occasions, her quick, keen sense of humor that would often make me and those around her laugh. And finally, when I was diagnosed a little more than a year ago with lung cancer, she was the first to respond to me and stay in touch on a regular basis providing me faith, love and support. Although I was only able to see her and be around her a few times a year, I always looked forward to the time that we could spend together. She was a special, loving, sharing woman of great faith and I will miss her tremendously in my life. My heart goes out to Jay, Justin and Tyler for their loss. Robyn's passing will leave a void in the lives of all of my family and all of those that ever had the privilege to know her and be around her. God Bless you our beloved Robyn. May you rest in peace now!
