“ *Mr Ron Brooks was my Graphic Arts teacher at Ragsdale High School Jamestown NC in 1968-1970. Mr Brooks was my friend. Sadly I lost contact with Mr Brooks after graduation from High School. Mr Brooks in 1970 helped me connect with Mr James C Meredith and Congressman Hon Walter Eugene Johnston III also adjunct at WFU. This connection is what turned into a really wonderful education & career path in the Graphics Industry giving me a chance to work, and travel with the some of the best Companies in the World both small, super size, local, and internationally for more than 40 years. Thank you Mr Brooks.
