“ Just want you guys to know you are in my thoughts and prayers. Birthdays will never be the same- Every year Ronnie would never miss a birthday! Him and I made it a tradition to celebrate our birthdays together (May 28th and May 21st). I don't know why that man took ahold of me like he did....but it happened. One day I asked him about the race and guess where he took me for my birthday- my first big race!!! Not only was he a great guy, but his children are amazing as well. Sylvia and Matt I love you guys and will always be here for you all
