“ *My dear Aunt Rosa,  
As my father's youngest sister, she held a special place in his heart that remained in mine, long after his passing. Many times and hours, I spent with her & Uncle Wint remembering branches of the "family" that one does not find exploring the traditional source records. My soul is saddened & my heart much heavier, now that Aunt Rosa has joined the rest of her siblings on the other side. May the Lord's comfort & Grace be with the family during this time.*
