“ Dear Family,  
We are so sorry for your monumental loss. We pray that each of you find comfort in knowing Roy was a good man and also in your memories with and of him. We are sure Heaven is a better place for Roy being there now. Seems that so many of our good, solid, God fearing men are filling Heaven these days in their eternal journey, leaving us to cry for ourselves as we miss them in our daily walk. Please accept our condolences as we sympathize with you and remember each of you in our prayers. No one can know your feelings of such a great loss within your life, but know that you will remain in our thoughts and prayers.  
With love, The Billy Stowe Family

*I remember, so fondly, seeing Roy and Goldie at Biscuitville on Saturday mornings. They would be fresh from their latest road trip. I really admired them for their gumption to enjoy life to the fullest and am so glad they were able to enjoy their travels and love of Blue Grass music for many years. I was saddened to hear of Roy's passing, but know that he loved his family and their lives together to the max. He inspired me to do what you can, when you can. God bless you with wonderful memories.*
