“ My precious Ruby, you taught me so much about love and life. You always had a story to tell. The love you had for your family was incredible and I know you're with your sweetheart Robert for eternity. I love you and will miss you so much but I know your in heaven with Jesus now. No more pain no more suffering. Thank you for loving me and teaching me all you did. I will see you again. To her family thank you for the opportunity to be her caregiver and feel like part of the family. My prayers are with all of you during this time. Ruby was something special and I know heaven's choir sounds even more beautiful with her in it.

“ Diane and I grieve with our extended family in the homegoing of dear Aunt Ruby. She was always a happy person and was a ball of energy. My fondest memory of her was either at Key West, FL or at Granny & Pawpaw Burke's when she came out of the bathroom screaming. She was spitting stuff out of her mouth, having put Brylcream hair lotion on her toothbrush instead of toothpaste. That was funny and I think she laughed the hardest. Blessings and love to you all.
