“ Nana was a very special lady. She was always wearing a smile and always had a kind word for all. She is a very fond memory from my younger days growing up with her granddaughters. My sympathy goes out to the family. She will always be alive in your hearts. Memories can never be taken away, so always remember her with a smile on your face and love in your heart.

“ I remember my sweet aunt Rushia as gentle, kind, loving and giving. When I was a small child, she and Uncle Clyde came to visit and always brought us a treat and sometimes groceries (which our family of six always needed).. I will miss her very much and my love and prayers go out to Faye, Harold, Lisa, Angie, and Denna and their families. I am looking forward to being with her in heaven one day when I will have time to share sweet memories of family! Sandra
